AR-25 Manage and Approve Receivables for Adjustments

Purpose

The purpose of this Quick Reference Guide **(QRG)** is to provide a step-by-step guide of how to Manage and Approve Receivables for Adjustments in the North Carolina Financial System **(NCFS)**.

Introduction and Overview

This QRG covers the process of Manage and Approve Receivables Adjustments. This process provides information on how to create adjustments and the approval process for adjustments.

Manage Adjustments in Receivables

To approve expenses via the notification bell icon, please follow the steps below. There are 16 steps to complete this process.

Create Adjustments

Step 1. Log in to the NCFS portal using the **Company Single Sign-On (SSO)** button.

Step 2. Enter your **@dac.nc.gov** email address.

Step 3. Click **Next**, then enter your **password**.

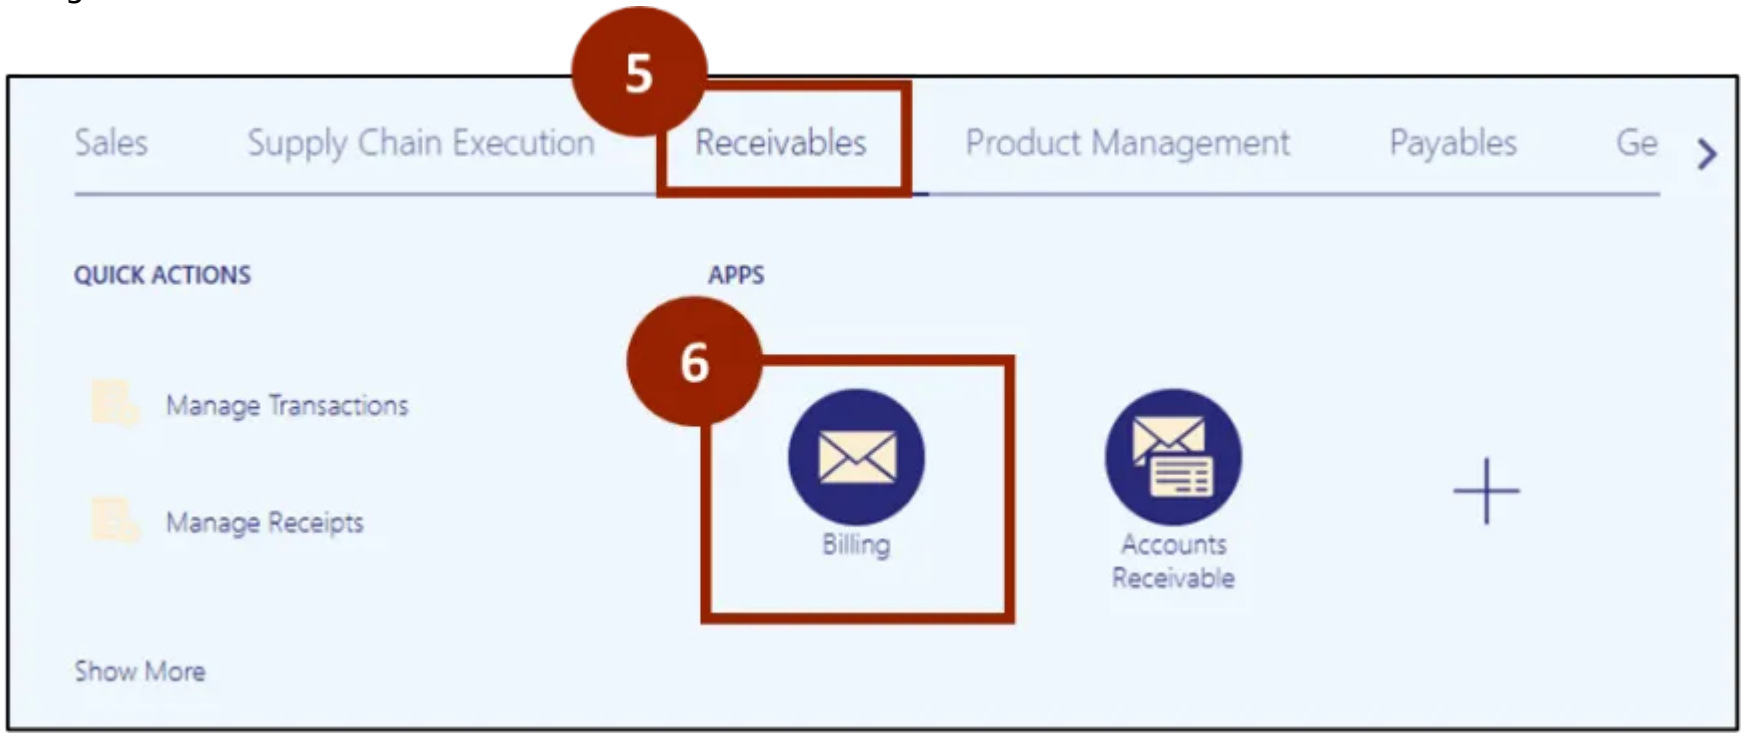

NOTE: The system will automatically sign on using SSO and log in to NCFS. After the first login using SSO, future access may not require credentials. If SSO is not available, enter credentials manually within the **Username** and **Password** fields, then click **Sign-In**.

Step 4. Navigate to the **Home** page.

Step 5. Click on the **Receivables** tab.

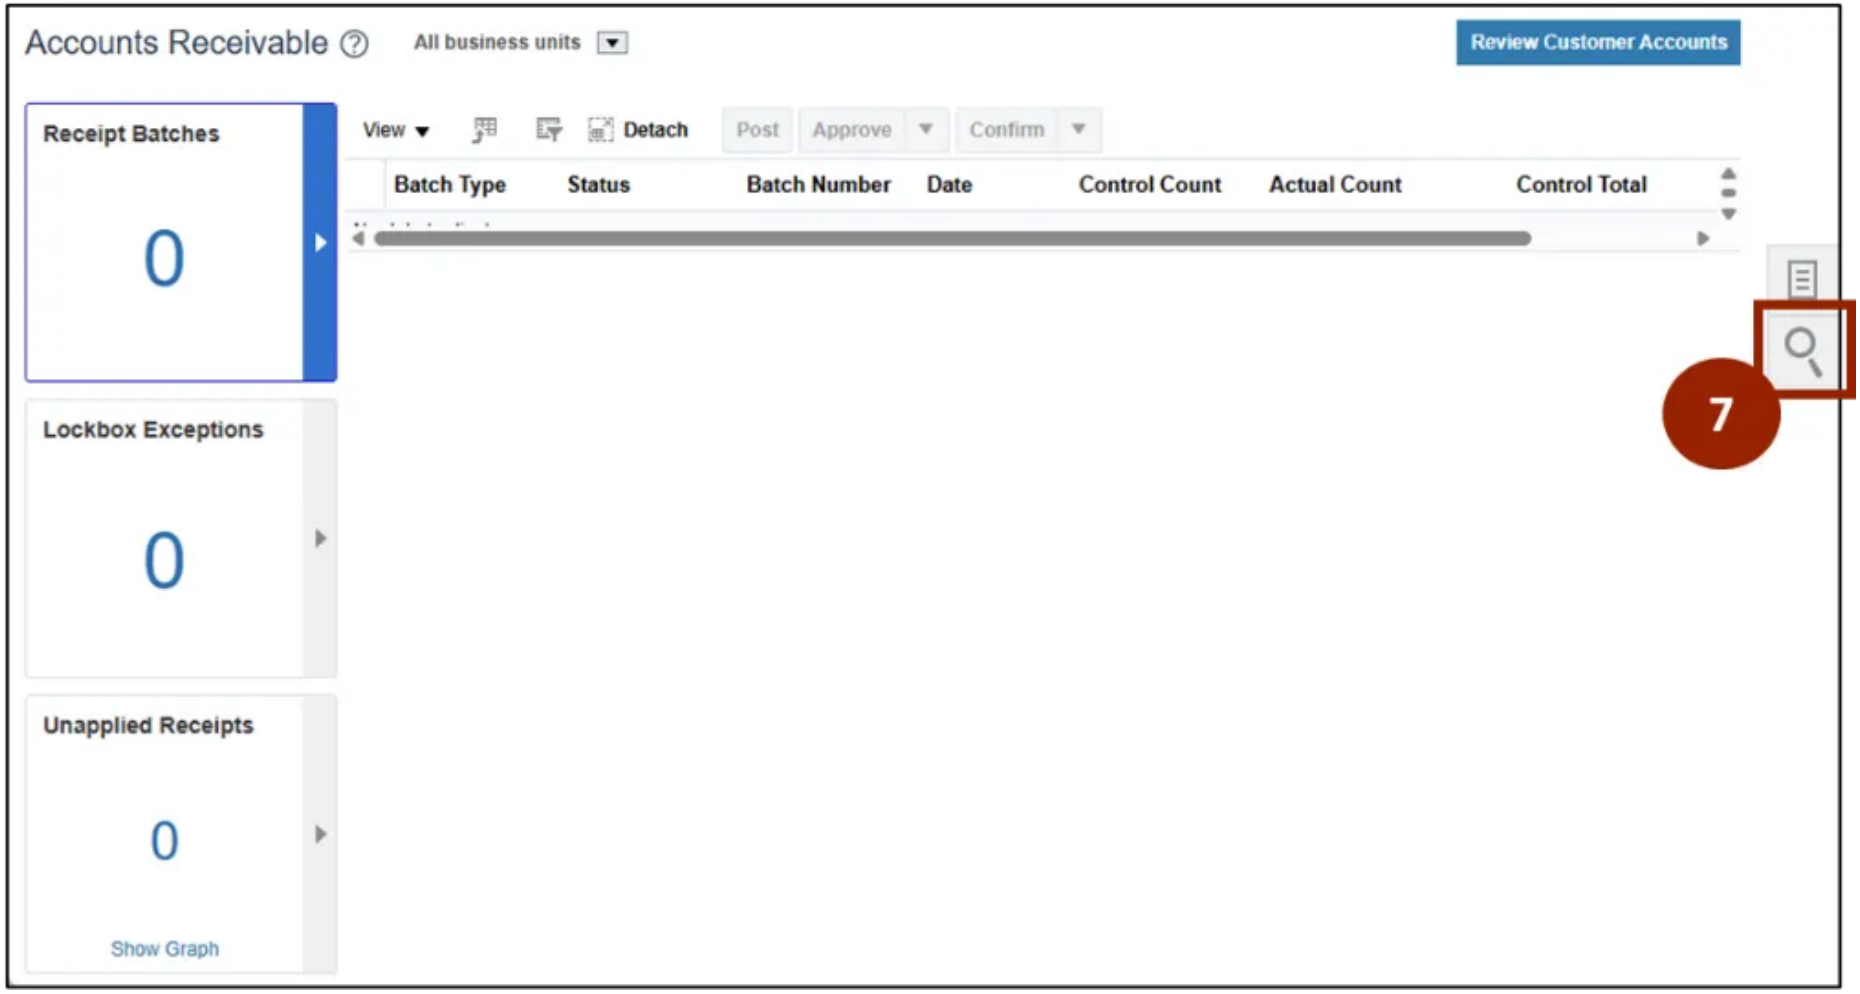

Step 6. Click on **Billing**.

Approve Adjustments

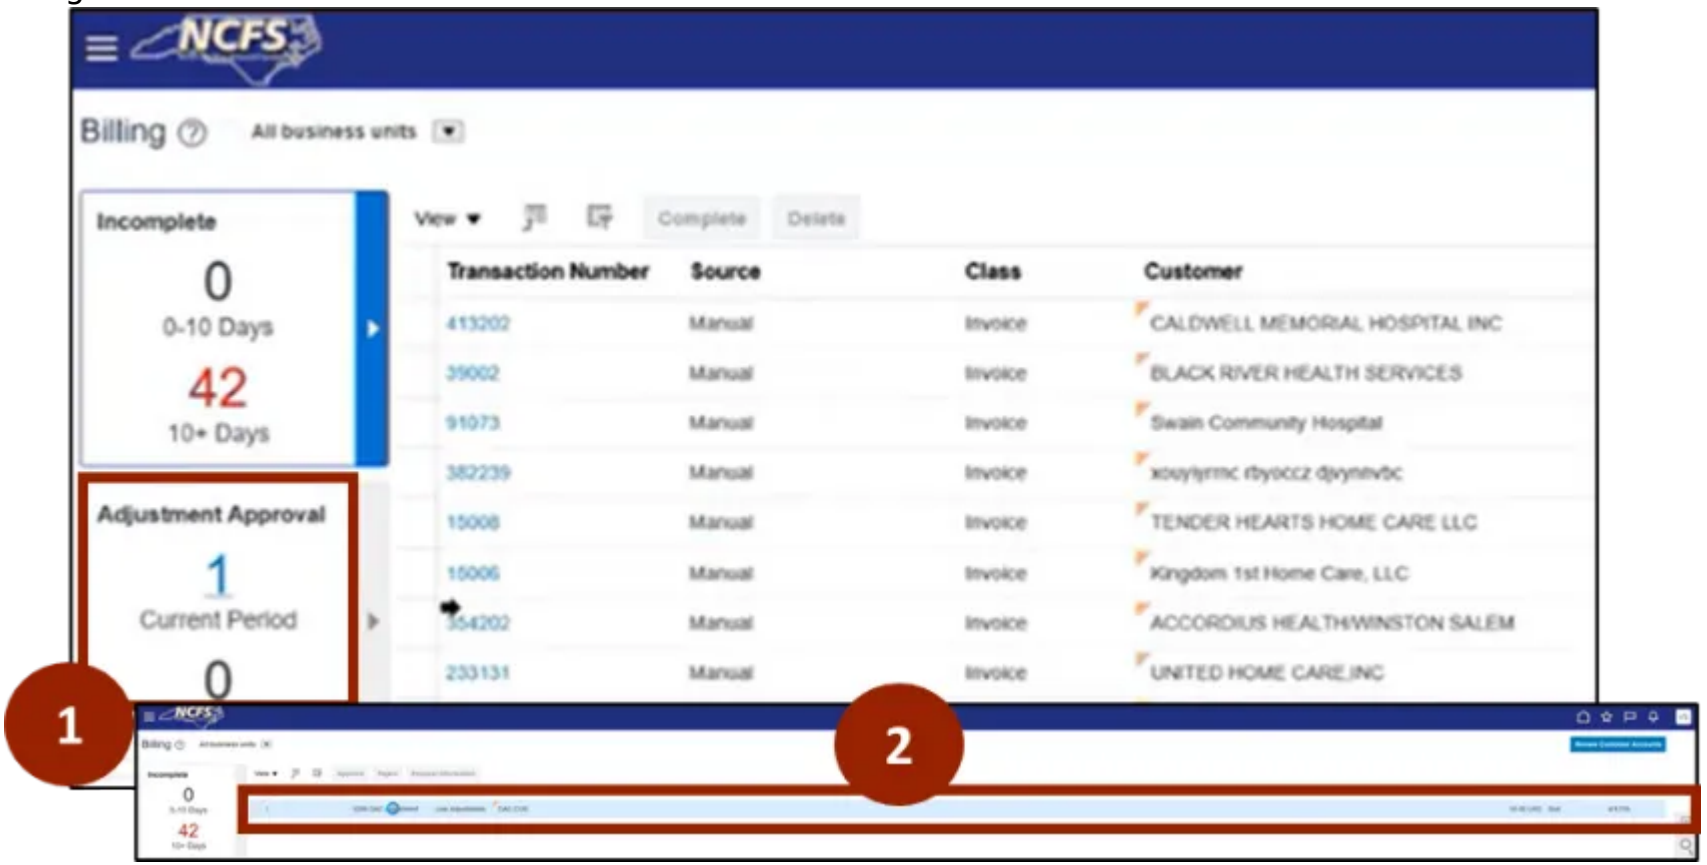

All adjustments undergo a mandatory approval process to maintain control and accuracy. Once an adjustment is created, it is automatically routed to the designated approver for review. The invoice will only be updated to reflect the adjustment after it has been formally approved.

There are 8 steps to complete this process.

Step 1. Once On the **Billing** page, click the **Adjustment Approval** info tile.

Step 2. Click on the **adjustment** available.
