

B0099 Employee Deadline Dates

Purpose

The purpose of this Report Description is to list employee deadline or end dates for various tasks and deadline types. Available objects include position and supervisor information.

Report Description

The B0099: Employee Deadline Dates report lists employee deadline or end dates for various tasks and deadline types. Available objects include position and supervisor information.

Report Location

PA: Employee Details

Report Uses

This report can be used to check or track the deadline or end dates for a variety of tasks for employees. Some task types included on the report are credential verification, probationary period end dates, temporary appointment or time-limited end dates, end of contract periods for employees with contracts, and license renewal dates.

How to Generate This Report

This report is generated after selecting values for the mandatory prompts. All mandatory prompts must have values selected before the Run Icon can be used to generate the report. Mandatory prompts can be identified as mandatory by the exclamation mark inside of the yellow-orange triangle, the square with the checkmark, or the display of (Mandatory). Detailed instructions for interaction with each prompt can be found on the [Web Intelligence Prompt List](#) on the [OSC website](#).

The Mandatory prompts for this report are:

- Organizational Unit

This report can also be further limited by utilizing the Optional prompts to further limiting the amount of data that retrieved into the body of the report. Optional prompts are indicated as optional in parentheses beside the prompt.

The Optional prompts are:

- Task End Date(s) - (Optional)
- Deadline Type(s) - (Optional)
- Processing Indicator(s) - (Optional)
- Employment Status (Active)
- Employee Group(s) - (Optional)
- Employee Subgroup(s) - (Optional)

Exclusion prompts exclude specified data by default while allowing customers the flexibility of changing them when necessary. Exclusion prompts are identified by the term Exclude followed by the prompt.

The Exclusion prompts are:

- Exclude Employee Subgroup (Contractor, National Guard)

Image

Initial Layout

The report is generated with a list of employees who have a deadline type with an end date for the organizational unit selected. If a date range is entered, the report will display the date range specified. Below is a sample of the initial layout.

Image

Special Report Considerations/Features

This report contains only active employees by default. In order to see employees with all employment status types remove the “Active” default prompt on the initial prompts screen. There are 3 steps to complete this process.

Step 1: Click Employment Status (Active) prompt.

Image

Step 2: Click the reset prompt value icon.

Image

Step 3: Click Remove all Values.
