Special Report Considerations/Features

- If the Leave is used or returned, no more hours will be available. Employees shouldn't use received shared Leave Hours outside of dedicated LOA's.

- Time entry in ESS should be entered as Sick Leave (9200) and system will allocate the entries as Received Shared Leave Hours.
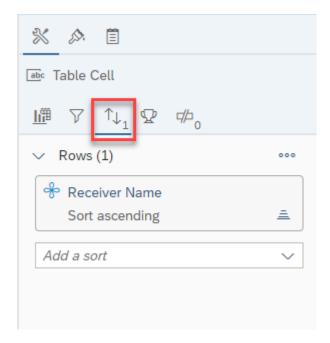

- By default, data is sorted by Receiver Name and Donor Name. This can be changed as desired.
- To change the sorting to another column
    1. Make sure the "desired column" is selected.
    2. Right Click on "Data".
    3. Right Click "Add Sort".

4. Select ascending or descending sort order as needed.
