

Lena Andrade, IT Project Manager/Agency Engagement Lead, Office of the State Controller. Lena is a seasoned IT professional with a vast amount of experience in Project Management and Organizational Change Management. The bulk of her experience comes from ERP Financial System Implementations. Lena began her journey with the State of North Carolina on the NCFS Project Team, overseeing the intricate development of the Training Program for the State agencies and the NCFS security roles. She recently joined the OSC team in a full-time capacity to oversee the continued agency support and sustainment of ~4000 financial staff across the State of NC to the new NC Financial Accounting System (Oracle Cloud Based).

She has worked for companies such as Eversource Energy, PricewaterhouseCoopers (PwC), IBM, as well as the State of Massachusetts, Department of Homeland Security, and the Department of Defense, and is a certified Project Management Professional (PMP) and Scrum Master.

Lena is a techie at heart with degrees in Graphic Design, Communications and Education from Cleveland State University. She is an avid traveler, teaches dance classes and loves meeting new people, as well as, and spending time with her family and friends.
