QUICK REFERENCE GUIDE

Purpose

The purpose of this Quick Reference Guide (**QRG**) is to provide users with a step-by-step guide of how to **navigate the Home Page** of the North Carolina Financial System (**NCFS**).

Introduction and Overview

The purpose of this Quick Reference Guide (**QRG**) is to provide step-by-step instructions on how to access and navigate the NCFS Home Page.

Accessing the NCFS Home Page

Access the NCFS Home Page

1. Log in to the NCFS portal using the **Company Single Sign-On (SSO)** button.
2. Enter your **dac.nc.gov** email address.
3. Click **Next**, then enter your **password**.

Note: The system will automatically sign on using SSO and log in to NCFS. After the first login using SSO, future access may not require credentials. If SSO is not available, enter credentials manually within the *Username* and *Password* fields, then click **Sign-In**.

Add the NCFS Home Page to Favorites

To easily access the **NCFS Home Page** in the future, make it a "**Favorite**" in the web browser. While on the **NCFS Home Page** there are two ways to save it to the favorites or bookmarks bar for easy access later. Follow the steps below:

Method 1

1. In the *address bar*, click the **star** icon.
2. A pop-up will appear. Name the bookmark, then click **Done**.
3. The **NCFS Home Page** has been added to the bookmarks bar.

Method 2

4. Click the **three dots** to the right of the address bar (**three vertical dots** for Google Chrome, **three horizontal dots** for Microsoft Edge).
5. From the drop-down, click on **Bookmarks and Lists** (Google Chrome) or **Favorites** (Microsoft Edge).
 - a. **Google Chrome** - A new drop-down menu will appear.
 - i. Click on **Bookmark This Tab**. A new pop-up will appear.
 - ii. Name the bookmark and click **Done**.
 - b. **Microsoft Edge** – Select the **Star** icon at the top of the drop-down box.
 - i. Name the bookmark and click **anywhere on the screen**. The **NCFS Home Page** will be saved in favorites.

Home Page Navigation

The **NCFS Home** Page will be displayed, where the following can be accessed:

1. **Navigator Menu** – Access Activities based on role.
2. **Home Page** icon – Direct user back to Home Page.
3. **Favorites** – Access Favorites and Recent Items.
4. **Watchlist** – Table listing initiatives, objectives, or KPIs grouped together.
5. **Notifications** – Alerts user with any changes related to your resources.
6. **Profile** – Access personal profile and settings.
7. **Quick Actions** – User will be redirected to the location of the action in NCFS.
8. **Apps** – Applications that users will utilize to perform daily functions.
9. **Show More** – Will show more actions for the selected Activity.
10. **Analytics** – Analytics show Infolets related to the tab currently selected on the Springboard.

Navigator Menu

In the **Navigator Menu**, users can find activities related to your role-specific responsibilities. To view all activities related to a specific job function or department, click the **drop-down arrow**.

Profile and Settings
Appears as the **user’s initials**.

In **Settings and Actions**, you can find settings to improve day-to-day functions, such as:

- Access Accessibility Settings
- Preferences
- Applications Help
- Sign Out

Quick Actions
Takes users to that action’s location within NCFS.

Show More
Shows more tasks within the selected activities.

Analytics
The **Home** page will show the *Analytics* section. Analytics show Infolets related to the currently selected tab. Infolets are visual, actionable, and personalized information cards that summarize critical data about specific objects.

Adding Apps to Home Page

1. In the center of the page, click the “+” button to see a list of Apps that are available based on the user’s role.

2. **Check or uncheck** the boxes of the Apps to be added or removed from the *Apps* section of the **Home** page.
3. Click **Save and Close** to add the selected **Apps** for the selected Activity to the **NCFS Home Page**.

Wrap-Up

Using the steps in this QRG, NCFS users can *navigate the NCFS Home Page*.
